## Introduction

To coincide with the Germany Travel Mart (GTM) 2012 in the city of Leipzig, the GNTB is publishing a summary of key facts and figures for incoming tourism to Germany 2011.

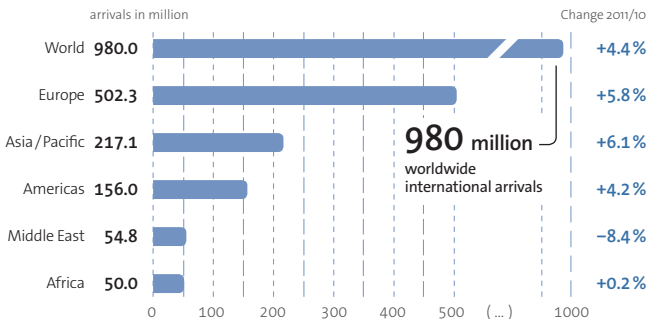

This publication is aimed at providing the GNTB's partners with a regular and up-to-date annual overview of the most important market research results for the previous travel year. This edition is based on studies by the UNWTO, EUROSTAT, the WEF and studies carried out by the GNTB's own business planning and market research department like from the World Travel Monitor, Quality Monitoring of German Tourism and data supplied by the Federal Statistical Office, international and national associations of tourism service providers.

## German National Tourist Board

Working on behalf of the federal government, the German National Tourist Board, based in Frankfurt am Main, has been planning, coordinating and implementing activities for marketing Germany abroad for more than 50 years.

The aims of the GNTB with its 6 regional managements and its 30 foreign representative offices / sales and marketing agencies include:

- Strengthening the economic position of Germany
- Increasing the volume of tourism
- Increasing tourism exports.

As a registered non-profit organisation, the GNTB is committed to transparency and efficiency rather than commercial gain.
