

Garmisch-Partenkirchen

„Discover your true nature“ - 365 days a year:

Located in the heart of the mountain range, Garmisch-Partenkirchen - the most famous place in the Bavarian Alps offers a dream vacation setting with lush nature at the foot of the Zugspitze. It is a unique place in an awesome setting, for outdoor activities and extraordinary experiences - between mountain and valley, in the water or in the air. It is a region that has shaped human beings and their culture. Here, you still find typical Bavarian traditions in their original form. A place where you get closer to nature and discover something about yourself.
